of the Palace, the property noted in detail in the Statement appended to Mr Ramakrishna Rao's letter as having been mortgaged by the debtor as security for the advance; ~~and to management of the said property till the advance is repaid.~~

The annual income from the property in question should be collected by Govt agency and accounted for to the Officer in charge of the Palace Establishments — for any instructions regarding the management of the property or the disposal of its income I am to state that you may communicate with that Officer —

It is presumed that there will be little for the Local Officers to do beyond effecting the assessment of the rent from time to time at which the lands have been leased or may be leased with the convenience of the Palace Officer That there will be no annual management

List of enclosures, such as may require the employment of a special agent —

Yours
